

HATHAY BUNANO  
GUARANTEED  
FAIR TRADE

# it's simple

hand made | fair trade | naturally

**Creating fairly paid, good quality, flexible and local employment for rural women who are poor and often disadvantaged in Bangladesh.**

Babies, toddlers and children smile with wonder at the cute designs and quirky expressions, parents smile at the joy of watching their little ones and knowing that their purchase also helped a family a long way away, and the Hathay Bunano artisans smile knowing that they have sustainable, regular and flexible employment and a chance to give their own children a better life.
